

Anatomy of a Store Post

Each of these color items must be addressed BEFORE publishing a Store Post. Sometimes it is easiest to open an existing post and copy/paste some elements.

This title is seen within the CMS only...

Photo Specs:
275 pixels wide
210 pixels tall
2 pixel tan border

Visual HTML

Format

Journal: \$12 each Item: Price (Header 3)

This attractive journal features a red page marker ribbon, business card and pen insert locations just inside the front cover, and lined pages. Once you fill up your journal you can remove the soft leather-like cover and put a fresh journal in!

Paragraph description of the item. Use the basic Paragraph style for this.

Path:

Word count: 44
