

Auction Donations

Last year your donation was among 302 auction items from generous businesses like yours and over \$13,000 was raised! **Thank you for helping us raise those funds!** The money raised from last year's auction helped cover operational costs and scholarships for Beaverton's YEA! Class of 2014. Your continued support will help us reach our goal of \$14,000 to encourage this year's class of young leaders and entrepreneurs to excel and become the next generation of business leaders in Beaverton.

What is Beaverton's Young Entrepreneur Academy?

YEA! is a non-profit program designed to inspire middle and high school aged students in Beaverton to become successful contributors to the local community and economy by bringing their innovative business ideas to life. The academy is a year-long program that utilizes inspiring speakers, facility tours, relevant seminars, and mentors to guide the participating youth toward their fully functional business venture.
