What is Beaverton's Young Entrepreneurs Academy?

The Young Entrepreneurs Academy (YEA) is a year-long program that teaches middle and high school students how to start and run their own REAL businesses. The Beaverton Area Chamber of Commerce is proud to be the first and only Chamber in Oregon offering this program.

YEA! guides middle and high school students through the process of starting and running a legitimate business or social movement over the course of a full academic year. Nationwide to date, 4,338 students have graduated from YEA! and have launched over 3,000 businesses. YEA! graduates started as students and left the program as CEOs of their own Companies!
