Business Essentials

What does it take to run your own business? Part I of the Beaverton Business Builder program will address the following :

- ◇ Determining Legal Structure
- ◇ Registering Business Name
- ◇ Obtaining EIN - IRS.gov
- ◇ Business Licensing
- ◇ Business Certifications (M/WESB)
- ◇ NAICS Codes
- ◇ Procurement

Industry-Specific Requirements and Opportunities

Presented by industry-specific professionals, Part II of the Beaverton Business Builder program will address specific requirements as mandated by the State of Oregon, Washington County, and the City of Beaverton. Participants will learn about applications, permits, licensing, renewals and inspection procedures that are specific to their field of interest. Very valuable information for those seeking to run a compliant, profitable business, participants will leave with a detailed checklist and timeline.

Capacity Building/Expansion

Ready to take your business to the next level? For existing and new business owners in childcare, construction/landscaping, restaurant/foodcart, or professional services, Part III provides critical business planning and risk management issues for long-term, profitable business. These critical elements provide a solid foundation to help participants become "Breakthrough Companies" for sustainable success.

Beaverton Business Builder is looking for sponsors for this event! Please contact us to find out how you can be a part of growing small businesses in Beaverton.
