

The best way to care for your loved one is to take care of yourself first.

Alzheimer's and Dementia: Care for the Caregiver Webcast
Thursday, September 26th, at 2 PM EDT

Celebrity Guest Speaker
Leeza Gibbons

Dementia Expert
Teepa Snow

Dealing with the unique and constantly evolving challenges of caring for a loved one with Alzheimer's or dementia takes its toll on every family member, especially the main caregiver.

Senior Helpers invites you to join talk show host and family caregiver advocate Leeza Gibbons and certified occupational therapist and dementia expert Teepa Snow for valuable insight and discussion during a special national webcast. Topics will range from combating caregiver stress to identifying the signs of Alzheimer's and dementia. For more information and to register, visit <http://caregiving.seniorhelpers.com>.
