WOMEN TAKING THE LEAD  
AS WE  
**PAINT**  
**THE COMMUNITY**

Oregon women have always been changemakers.

The tradition continues as leaders from 100 Strong, Oregon Tradeswomen Inc., and Labor's Community Service Agency join Rebuilding Together Washington County to Paint the Community.

Women-led home-repair teams will spend a day transforming a community with projects aimed at improving homeowners' health & safety, preventing fire risk, restoring weatherproofing, preventing homelessness, and brightening the lives of some of our most vulnerable neighbors.

Volunteers of all skill levels are welcome! Sponsors, too!

When: Saturday, June 24, 2017

Where: Mobile Home Corral in Beaverton, 117th & Center Street
